PRODUCT SPECIFICATION

Description

Premium specification synthetic engine oil suitable for all Ford Zetec, Zeta, Duratorq and Land Rover TD5 engines.

MQB Zetec 5W-30 is a synthetic multi-grade engine oil formulated to achieve the performance and efficiency demands of modern petrol and diesel engines requiring low viscosity oils. Advanced additive technology provides long-term benefits including reduced wear on critical valve-train components. Particularly suited to the requirements of Ford turbocharged, multi-valve and direct injection engines.

- Improved engine efficiency and fuel economy
- Excellent cold starting characteristics to protect against engine wear and reduce engine noise
- Advanced additive technology to provide Turbocharger protection
- Low volatility levels
- Offers improved flow rates at low temperatures and increased film strength at high temperatures
